Sommario/riassunto	This book explains how the internal dynamics of transition have influenced the relationship between Russia and the EU. Taking an holistic approach, the authors present a balanced analysis exploring

EU, Russian and US perspectives on the Russian-EU relationship and examine a range of political, economic, business and security issues including the Northern dimension of Russian-EU relations, the Chechen situation, Russian domestic economic policy, trade, the business environment, energy and EU technical assistance. They also address such questions as: \* Will bilateral relations be achieve
