Resolving Refugee Problems: Addressing Political Causes; Notes; Recommended Reading and Sources; Index |
| Sommario/riassunto | With more than 18 million refugees worldwide, the refugee problem has fostered an intense debate regarding what political changes are necessary in the international system to provide effective solutions in the 1990's and beyond. In the past, refugees have been perceived largely as a problem of international charity, but as the end of the Cold War triggers new refugee movements across the globe, governments are being forced to develop a more systematic approach to the refugee problem. Beyond Charity provides the first extensive overview of the world refugee crisis today, asserting that refugees |
