Sommario/riassunto

From 1776 to 1800, the United States ceased to be a fantastic dream and became a stable reality. Newspapers were increasingly the public's major source of information about people and events outside of their community. The press reflected the issues of the day. Its foremost concern was naturally the armed struggle with Britain. The press covered the conflict, providing both patriot and loyalist interpretations of the battles and personalities. Yet after the British withdrew, a host of new challenges confronted the United States, including the Articles of Confederation, Shay's Rebellion, the Bi
