Sommario/riassunto	This unique resource describes and evaluates ten of the most important events in British history between the Norman Conquest of 1066 and the Glorious Revolution of 1689 and its aftermath. A full chapter is devoted to each event, and each chapter includes an introduction presenting factual information in a clear, chronological order. Longer, interpretive essays explore the short-term and far-reaching ramifications of the events. Coverage for each event also includes an annotated bibliography of works suitable for students and a full-page illustration. A glossary of terms, a timeline of British
