""The Diachronic Development of Subject Clitics in North Eastern Italian Dialects""; 12. ""Complement Clitics in Medieval Romance: the Tobler-Mussafia Law"";

13. ""Cases of Verb Third in Old High German""

Sommario/riassunto   A collection of previously unpublished papers on a specific topic in historical linguistics - clause structure. These papers testify to the recent renewal of interest in diachronic syntax, a consequence of the new emphasis on comparative issues in the principles and parameters framework.
