Verdelle -- The reader as translator : interlingual voice in the writing of Richard Rodriguez, Nash Candelaria, Cherrie Moraga, and Abelardo Delgado -- Cultural translation and multilingualism in and out of textual worlds.

## Sommario/riassunto

Examines the trope of translation in twenty English-language novels and autobiographies by contemporary ethnic American writers. This book argues that these works advocate a politics of language diversity, a literary and social agenda that validates the multiplicity of ethnic cultures and tongues in the United States.
