Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	"Emma Goldman called Voltairine de Cleyre "the most gifted and brilliant anarchist woman America ever produced." Yet her writings and speeches on anarchism and feminism - as radical, passionate, and popular at the time as Goldman's - are virtually unknown today. This important book brings de Cleyre's eloquent and incisive work out of undeserved obscurity. Twenty-one essays are reprinted here, including her classic works: "Anarchism and the American Tradition," "The Dominant Idea," and "Sex Slavery." Three biographical essays are also included: two new ones by Sharon Presley and Crispin Sartwell, and a rarely reprinted one from Emma Goldman."--Jacket
