Sommario/riassunto

This book of critical rural geography breaks new ground by drawing attention to sex and sexualities outside the metropolis. It explores sexualities and sexual experiences in a variety of rural and marginal spaces with international contributions from a wide range of disciplines. These include: literary and cultural studies, lesbian and gay studies, geography, history and law. Among the topics uncovered are: \* a lesbian in rural England\* sexual life in rural Wales\* sexuality in rural South Africa \* scandal in the American South: sex, race and politics\* nature and homosexualit
