Sommario/riassunto	This groundbreaking study analyzes the development of American gothic literature alongside nineteenth-century discourses of passing and racial ambiguity.By bringing together these areas of analysis, Justin Edwards considers the following questions. How are the categories of "race" and the rhetoric of racial difference tied to the

1.

lang	uage of gothicism? What can these discursive ties tell us about a
rang	e of social boundaries-gender, sexuality, class, race, etcduring
ther	nineteenth century? What can the construction and destabilization
of the	ese social boundaries tell us
