Racial and Ethnic Relations in America, 1965-2000Conclusion; Contributors; Index
Sommario/riassunto	Featuring essays by leading historians, this brief history is a timely

introduction to the interrelated themes of race, ethnicity, and immigration in American history. The book is comprehensive both chronologically -- spanning from 1600 to 2000 and covering everything from the Trail of Tears to the Black Power movement -- and in terms of ethnic groups addressed: it examines not only the history of black-white relations in America, but also the experiences of Irish Catholics, Native Americans, Latinos, Jews, and many others.
