Sommario/riassunto	The popular home program that lets parents teach their children to write, now in a new edition. Harvey S. Wiener shows how parents can encourage their children to write with a home program that can be used from preschool through high school. Beginning with the building

of attitudes, Wiener moves through simple, varied and practical experience with the written word. By setting up an atmosphere in the home that encourages creative written expression, coupled with a parent's guidance in writing, children gain an outlook on writing that builds confidence in their abilities to use language.
