Sommario/riassunto	This introductory text provides students for the first time with an historical and international analysis of the development of anti-racism. Drawing on sources from around the world, the author explains the roots and describes the practice of anti-racism in Western and non-Western societies from Britain and the United States to Malaysia and Peru. Topics covered include:* the historical roots of anti-racism* race issues within organisations* the practice of anti-racism* the politics of backlash.This lively, concise book will be an indispensable resource for a
