Sommario/riassunto	The Re-Enchantment of the West challenges those theories that predict widespread secularization beyond traditional institutional religiosity. Spiritualities are emerging that are not only quite different from the those forms of religion that are in decline, but are often defined over against them and articulated and passed on in ways quite different from those of traditional religion. In particular, it is argued that such contemporary Western spirituality is fed by a constantly replenished reservoir of ideas, practices, and methodologies, which is here termed 'occulture'. Moreover, such occult
