Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. [411]-446) and index.
Nota di contenuto	The significance of the 2003 congressional redistricting in Texas -- Partisan politics and redistricting in Texas -- Racial and ethnic politics -- Electing the right Republicans: the Republican strategy for the 2002 election -- As partisan as the law allows: Republican strategy in 2003 -- Playing defense: Democratic strategy, 2001-2003 -- You gotta be kidding! The 2003 regular session -- No better option: the Democrats break the quorum in the House of Representatives -- Personal dilemmas: the first special session -- Is there a Democratic endgame? -- Republican triumph in the Senate -- Redistricting by cabal: the final redistricting plan -- The effects of the final plan -- The dilemma for racial- and ethnic-minority lawmakers and advocacy organizations -- The role of congressman Tom DeLay, Republican activists and donors, and the White House -- The legal implications of the 2003 redistricting -- Criminal investigations and indictments -- The fall of Congressman DeLay -- Conclusion.
Sommario/riassunto	The events of 2003 in Texas were important to the political history of this country. Congressman Tom DeLay led a Republican effort to gerrymander the state's thirty-two congressional districts to defeat all ten of the Anglo Democratic incumbents and to elect more Republicans; Democratic state lawmakers fled the state in an effort to defeat the plan. The Lone Star State uproar attracted attention worldwide. The Republicans won this showdown, gaining six additional seats from Texas and protecting the one endangered Republican

incumbent. Some of the methods used by DeLay to achieve this result, however, led to his criminal indictment and ultimately to his downfall. With its eye-opening research, readable style, and insightful commentary, *Lines in the Sand* provides a front-line account of what happened in 2003, often through the personal stories of members of both parties and of the minority activist groups caught in a political vortex. Law professor Steve Bickerstaff provides much-needed historical perspective and also probes the aftermath of the 2003 redistricting, including the criminal prosecutions of DeLay and his associates and the events that led to DeLay's eventual resignation from the U.S. House of Representatives. As a result, Bickerstaff graphically shows a dark underside of American politics—the ruthless use of public institutional power for partisan gain.
