Sommario/riassunto	An ideal introduction to Buddhism for anyone who has unanswered questions about one of the world's largest and most popular religions. A fascinating, short book that challenges us to strip away existing preconceptions we may have about Buddhism Considers questions such as: Can we talk of Buddhism as a unified religion or are there many Buddhisms? Is Buddhism a religion of tolerance and pacifism as many people think? And is Buddhism a religion without god(s), or is it more of a philosophy than a religion? Traces the basic history, beliefs and nature of Buddhism in easy-to-understa
