Sommario/riassunto

The life of Henry Hotze encompasses the history of antebellum Mobile, Confederate military recruitment, Civil War diplomacy and international intrigue, and the development of a Darwinian-based effort to find scientific evidence for differences among human "races." When civil war broke out in his adopted country, Hotze enthusiastically assumed the mindset of the young Southern secessionist, serving first as newspaper correspondent and Confederate soldier until the Confederate government selected him as an agent, with instructions to promote the Southern cause in London. There he founded, e
