Boyea -- Judicial reform and the future of judicial elections / Matthew J. Streb and Brian Frederick.
Sommario/riassunto	Across the country, races for judgeships are becoming more and more politically contested. As a result, several states and cities are now considering judicial election reform. Running for Judge examines the increasingly contentious judicial elections over the last twenty-five years by providing a timely, insightful analysis of judicial elections. The book ties together the current state of the judicial elections literature, and presents new evidence on a wide range of important topics,

including: the history of judicial elections; an understanding of the types of judicial elections; electoral
