Nota di contenuto	Harassment narratives -- Harassment, exclusion, and equality -- Comparisons to race and sex harassment -- A new approach to legal claims for harassment in the workplace and other settings -- Liability for harassment in the public schools -- New approaches to liability for harassment in the public schools -- Common law remedies for disability harassment -- Constitutional objections to anti-harassment policies -- An agenda for legal and social change.
Sommario/riassunto	Building on the insights of both disability studies and civil rights scholars, Mark C. Weber frames his examination of disability harassment on the premise that disabled people are members of a minority group that must negotiate an artificial yet often damaging environment of physical and attitudinal barriers. The book considers courts' approaches to the problem of disability harassment, particularly the application of an analogy to race and sex harassment and the development of legal remedies and policy reforms under the Americans with Disabilities Act (ADA). While litigation under the ADA ha
