Sommario/riassunto	Heterosexual Africa? The History of an Idea from the Age of Exploration to the Age of AIDS builds from Marc Epprecht's previous book, Hungochani (which focuses explicitly on same-sex desire in southern Africa), to explore the historical processes by which a singular, heterosexual identity for Africa was constructed-by anthropologists, ethnopsychologists, colonial officials, African elites, and most recently, health care workers seeking to address the HIV/AIDS pandemic. This is an eloquently written, accessible book, based on a rich and diverse range of sources, that will find enthusiastic aud
