Fortunate Exile, 1929-40; Notes; Index; Index of Works by Hamlin Garland
Sommario/riassunto	The first and only other biography of Hamlin Garland was published more than forty years ago; since then, letters, manuscripts, and family memoirs have surfaced to provide, along with changing literary scholarship, a more evaluative and critical interpretation of Garland's life and times. Hamlin Garland: A Life is an exploration of Garland's contributions to American literary culture and places his work within

the artistic context of its time.
