Sommario/riassunto	Nima Naghibi makes powerful connections among feminism, imperialism, and the discourses of global sisterhood. Naghibi investigates topics including the state-sponsored Women's Organization of Iran and the involvement of feminists such as Betty Friedan and Gloria Steinem in the Iranian feminism movement. She also examines the veiled woman in the films of Tahmineh Milani, Ziba Mir-Hosseini and Kim Longinotto, and Mahnaz Afzali.
