Sommario/riassunto	What is the Irish nation? Who is included in it? Are its borders delimited

by religion, ethnicity, language, or civic commitment? And how should we teach its history? These and other questions are carefully considered by distinguished historian Hugh F. Kearney in *Ireland: Contested Ideas of Nationalism and History*. The insightful essays collected here all circle around Ireland, with the first section attending to questions of nationalism and the second addressing pivotal moments in the history and historiography of the isle. Kearney contends that Ireland represents a striking example of the p
