Sommario/riassunto	Iris Marion Young was a world-renowned feminist moral and political philosopher whose many books and articles spanned more than three decades. She explored issues of social justice and oppression theory, the phenomenology of women's bodies, deliberative democracy and questions of terrorism, violence, international law and the role of the national security state. Her works have been of great interest to those both in the analytic and Continental philosophical tradition, and her roots range from critical theory (Habermas and Marcuse), and phenomenology (Beauvoir and Merleau Ponty) to poststructu
