Weineck -- "Non vixit" : friends survived / Elke Siegel -- The dream between drive and desire : a question of representability / Paul Verhaeghe --

Sommario/riassunto

Rethinking the importance of Sigmund Freud's landmark book *The Interpretation of Dreams* a century after its publication in 1900, this work brings together psychoanalysts, philosophers, cultural theorists, film and visual theorists, and literary critics in a compilation of the best clinical and theoretical work being done in psychoanalysis today.
