Sommario/riassunto	This book lays new foundations for the study of reference and truth. It explores truth in the light of Noam Chomsky's Minimalist Program and argues that truth is a function of the human mind. It sets out an internalist reconstruction of meaning and explores its outcomes in language and thought. - ;This pioneering book lays new foundations for the study of reference and truth. It seeks to explain the origins and characteristics of human ways of relating to the world by means of an understanding of the inherent structures of the mind. Wolfram Hinzen explores truth in the light of Noam Chomsky's
