Sommario/riassunto	A fully annotated edition of a classic work detailing the cultures of five southeastern American Indian tribes during the Contact Period. James Adair was an Englishman who lived and traded among the southeastern Indians for more than 30 years, from 1735 to 1768. During that time he covered the territory from the Appalachian Mountains to the Mississippi River. He encountered and lived among Indians, advised governors, spent time with settlers, and worked tirelessly for the expansion of British interests against the French and the Spanish. Adair's acceptance by the Creeks,
