Sommario/riassunto	The Anatomy of Judgment was first published in 1990. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. ""The Anatomy of Judgment is a unique and valuable contribution to the literature of the social and humanistic contexts for science . . . The book will illuminate dark corners for any reader, and dozens of interesting points come to light."" -Neil Greenberg, University of Tennessee. Tracing the
