Sommario/riassunto	The A to Z of the Lesbian Liberation Movement: Still the Rage is a comprehensive overview and resource guide for one of the most invisible social political movements: the Lesbian Liberation Movement. This book helps to make the still-active movement visible—the history, successes, setbacks, controversies, and issues. This book is a good resource for those studying this social political movement, containing a chronology, contextual overview, dictionary entries that cover persons, laws, terminology, issues, and countries, and an extensive bibliography of primary resources and current work.
