Sommario/riassunto

Law and Evil opens, expands and deepens our understanding of the phenomenon of evil by addressing the theoretical relationship between this phenomenon and law. Hannah Arendt said 'the problem of evil will be the fundamental question of post-war intellectual life in Europe'. This statement is, unfortunately, more than valid in the contemporary world: not only in the events of war, crimes against humanity, terror, repression, criminality, violence, torture, human trafficking, and so on; but also as evil is used rhetorically to condemn these acts, to categorise their perpetrators, and
