Sommario/riassunto	<p>We are proud to bring to the UK, for the first time ever, the 7th International Conference on Mechanical and Aerospace Engineering (ICMAE) in 2016. Sponsored and hosted by Embry Riddle Aeronautical University, UK, Orleans University, France and Science and Engineering Institute, this event will be held in London during July 18 20. The ICMAE is a global event focused on Aerospace Engineering. It was successfully held last six years and had visited Bangkok(2011), Paris (2012), Moscow(2013), Madrid (2014), Rome (2015). This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. This event will include the participation of renowned keynote speakers, oral presentations, posters sessions and technical conferences related to the topics dealt with in the Scientific Program.</p>
