Sommario/riassunto	A History of Settlement in Ireland provides a stimulating and thought-provoking overview of the settlement history of Ireland from prehistory to the present day. Particular attention is paid to the issues of

settlement change and distribution within the contexts of:
environment* demography* culture. The collection goes further by
setting the agenda for future research in this rapidly expanding area of
academic interest. This volume will be essential reading for all those
with an interest in the archaeology, history and social geography of
Ireland.
