Sommario/riassunto	Leading the debate on the domestic effect of the growing influence of international adjudication, this invaluable text examines Serbia and

Croatia's erratic record of compliance with the International Criminal Tribunal for the Former Yugoslavia (ICTY). Since the demise of the Milosevic and Tudjman regimes, Serbian and Croatian governments have been inconsistent in cooperating with the ICTY, despite the conditions of EU membership and US financial incentives. This study reconstructs events before, during and after extradition to build up a picture of the complex politics involved in IC
