Sommario/riassunto	This book examines the application of the UN Security Council's mandatory sanctions since 1946, and, in particular, the regimes adopted for specific types of conflict.Beginning in the Cold War period with South Africa and Southern Rhodesia and continuing today, following the post-9/11 experience with Al Qaeda and the Taliban, sanctions are a key tool in the UN's efforts to deal with conflict. This

book argues that the type of threat greatly influences the types of sanctions measures applied by the Security Council, who is targeted, as well as the objectives tied to the sanctions. The
