Because You're Worth It; 9. Sacred Sex, Ritual Sex; 10. Religio-Sexual Priorities; Some Concluding Thoughts; References; Bibliography; Acknowledgements; Photo Acknowledgements; Index
Sommario/riassunto	Sex and religion are inevitably and intricately linked. There are few realms of human experience other than sex in which religion has greater reach and influence. The role of religion, of any faith, to prohibit, regulate, condemn, and reward, is unavoidably prominent in questions of sex-namely with whom, when, how, and why. In Sex and Religion, Dag Øistein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world. Endsjø reflects on some of the most significantly problematic areas in the relationship between sex

Nota di contenuto	Die Unternehmensbewertung im Wirkungsbereich von Interessengruppen -- Die Geschichte der Unternehmensbewertung -- Der Objektivismusstreit der modernen Bewertungslehre -- Der moderne Objektivismusstreit im Lichte der Interessentheorie -- Die Zusammenfassung der Ergebnisse und ein Ausblick.
Sommario/riassunto	Kaum eine Disziplin der BWL unterliegt derart kontroversen Diskussionen wie die der Unternehmensbewertung – Tobias Quill wertet diese Auseinandersetzung als neuen Objektivismusstreit und widmet sich dessen Analyse. Er legt zunächst die Geschichte des Fachs dar und arbeitet dessen derzeitige Lage heraus, die geprägt ist von einem Streit konkurrierender Strömungen: der investitionstheoretisch-funktionalen und der marktwertorientierten Schule. Diese Konstellation analysiert der Autor mithilfe sozialwissenschaftlicher Instrumente. Er modelliert Akteure sowie deren Interessen und arbeitet Implikationen für das Sujet heraus. Der Autor zeigt, dass der herrschende Streit – und zugleich

auch die Ansätze zur Gestaltung einzelner Bewertungsmethoden – erheblich geprägt sind durch bestimmte Akteursgruppen und ihre jeweiligen Interessenlagen. Die Arbeit legt damit den Grundstein für eine völlig neue Forschungsrichtung: die politische Ökonomie der Unternehmensbewertung. Der Inhalt Geschichte der Unternehmensbewertung Objektivismustreit der modernen Bewertungslehre Politische Ökonomie der Unternehmensbewertung Interessenarbeit in der Unternehmensbewertung Die Zielgruppen Dozenten und Studenten der BWL mit den Schwerpunkten Finanzwirtschaft, Unternehmensbewertung und Wirtschaftsprüfung Wirtschaftsprüfer, Berater, Anleger, Führungskräfte, Analytiker, Vertreter von Interessenverbänden und Juristen Der Autor Dr. Tobias Quill wurde von Prof. Dr. Michael Olbrich am Institut für Wirtschaftsprüfung (IWP) der Universität des Saarlandes promoviert.

| Note generali | "First published in 1993 by Edward Elgar"--t.p. verso. |
| Nota di bibliografia | Includes bibliographical references. |
| Nota di contenuto | Part I. Intelligence -- Part II. Education. |
| Sommario/riassunto | In this text, first published in 1993, Barrow decisively rejects the traditional assumption that intelligence has no educational significance |

and contends instead that intelligence is developed by the enlargement of understanding. It focuses on the issue of intelligence from a philosophical perspective. It should be of interest to students of education, philosophy and the philosophy of education alike.
