Sommario/riassunto

The De Soto expedition was the first major encounter of Europeans with North American Indians in the eastern half of the United States. De Soto and his army of over 600 men, including 200 cavalry, spent four years traveling through what is now Florida, Georgia, Alabama, North and South Carolina, Tennessee, Mississippi, Louisiana, Arkansas, and Texas. For anthropologists, archaeologists, and historians the surviving De Soto chronicles are valued for the unique ethnological information they contain. These documents, available here in a two volume set, are the only detailed eyewitness
