Sommario/riassunto	This pioneering book is the first comprehensive study of the Red Sea as a sub-region of the international system in its own right. Examining the international politics of the Red Sea region from the Cold War to the present day, it argues that the Red Sea area demonstrates the characteristics of a sub-regional system, given its increasing economic and social interdependence, greater regional integration, and flows of

resources across it. It details how stronger regional powers - Egypt, Israel and Saudi Arabia - which co-habit the sub-region with much weaker, vulnerable and fragile states, ar
