| Sommario/riassunto      | How natural is religion? Is it a phenomenon written in our genes or brains, naturally developing with the development of the human race? The book considers the findings of evolutionary psychology from scientific, philosophical and theological perspectives and critically examines the relation between empirical, epistemological and theological notions. Chapters in the book deal with the aturalness of religion and religious experiences as based on genetics, biology and social psychology. Other authors examine the relationship between religion, science and theology with regard to the naturalness o |

| Sommario/riassunto      | Re-release (2001) Treble Heart Books, (2006) Ellora's Cave With wildfire attraction and dangerous enemies, there's a serious chance no one will make it out alive... Dangerous Intentions, Taggart Security Team Book 1 from romantic suspense author Denise A. Agnew is an action packed adventure that will keep you on the edge of your seat. A woman searching for the perfect man... Wealthy magazine editor Kiley Chapman lives with the frightening memory of her kidnapping ten years ago. When she advertises for a man for a hero profile article, she soon discovers sinfully sexy bodyguard Scott Danger lives up to his name. Charismatic and confident, he erodes her resolve to stay cool and uninvolved. A man in serious peril of losing his heart... Security specialist and ex-Special Forces soldier Scott Danger prides himself on having impeccable restraint--a man who disciplines both mind and body. It's questionable how long he can resist his powerful and heated attraction to Kiley--and all bets are off when he must protect her from a deadly stalker bent on destroying all they hold dear. Two wounded souls meet their match... The wildfire sexual attraction between them guarantees sparks they may not want to acknowledge but can't ignore. So while Scott guards her body, and Kiley guards her heart, neither one can fight the sensual and emotional hunger that swirls between them, consuming them.
