Sommario/riassunto

Use this newly developed family-oriented approach to be a better youth worker! In A Child and Youth Care Approach to Working with Families, practitioners and trainers in a new child methodology show you how to expand your youth program to involve family work using the Child and Youth Care Approach. This book provides a new way of looking at work with families in which the helpers are involved in the daily life of the families they are supporting. This book will be valuable to practitioners and instructors of the Child and Youth Care Approach as well as to youth workers, foster parents
