Disciplina	306.77
Soggetti	Sex Sex addiction Women - Sexual Behavior Men - Sexual Behavior
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	In this controversial new book, David Ley debunks the myth of sex addiction, showing how labeling it a disorder has wrested responsibility away from philandering men and excused their bad behavior as being out of their control. He takes on those who would label it a disease and challenges us to reexamine our approach to male sexuality.
