Sommario/riassunto

A compelling exploration of sexual victimization in the United States military! This incisive book offers a unique perspective on rape and sexual harassment in the United States military. Drawn from the experiences of military personnel and presented in their own words, *For Love of Country: Confronting Rape and Sexual Harassment in the U.S. Military* takes an honest and heartfelt look at a pervasive problem. Service veterans speak candidly about a breakdown of values and leadership failure which has perpetrated a culture of abuse. Male and female rape victims reflect on their efforts to
