**Sommario/riassunto**

Internationally renowned contributors address a number of  
fundamental questions designed to take the reader to the heart of  
current debates around knowledge, practice, professionalism, and  
learning and teaching in music as well as considering how all these  
elements are influenced by economic, cultural and social forces. The  
book will appeal to those interested in the development of appropriate  
professional knowledge and pedagogic practices in music teacher  
education.
