## Sommario/riassunto

This book seeks to refine our understanding of transitional justice and peacebuilding, and long-term security and reintegration challenges after violent conflicts. As recent events following political change during the so-called 'Arab Spring' demonstrate, demands for accountability often follow or attend conflict and political transition. While traditionally much literature and many practitioners highlighted tensions between peacebuilding and justice, recent research and practice demonstrates a turn away from the supposed 'peace vs justice' dilemma. This volume examines the co
