Nota di contenuto	Cover; Title; EUL; Content; Foreword; Preface; Inroduction; Chapter 01; Chapter 02; Chatper 03; Chapter 04; Chapter 05; Conclusion; References; INDEX
Sommario/riassunto	This e-book offers readers insights into knowledge related to maternal habits or disorders that could affect fetal development and lead to disability later in childhood and adulthood. It is written in a multidisciplinary context and would be a handy reference to a wide spectrum of readers including students, clinicians (obstetricians, neonatologists, pediatricians) and basic scientists in gynecology.
