

1. Record Nr.	UNINA9910779521503321
Titolo	Ethanol and biofuels [[electronic resource]] : production, standards and potential / / Wesley P. Leland, editor
Pubbl/distr/stampa	New York, : Nova Science Publishers, c2009
ISBN	1-60876-592-X
Descrizione fisica	1 online resource (159 p.)
Collana	Renewable Energy: Research, Development and Policies
Altri autori (Persone)	LelandWesley P
Soggetti	Alcohol as fuel - United States Biomass energy - United States Renewable energy sources - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	<p>""Ethanol and Biofuels: Production, Standards and Potential"";</p> <p>""Contents""; ""Preface""; ""Renewable Energy: Background and Issues for the 110th Congress""; ""Abstract""; ""Introduction""; ""History and Background""; ""Budget and Funding Issues""; ""Tax Credit Issues""; ""Regulatory Issues""; ""Renewable Fuels and Energy Security""; ""Climate Change""; ""Legislation""; ""References""; ""Fuel Ethanol: Background and Public Policy Issues""; ""Abstract""; ""Introduction""; ""Ethanol Basics""; ""Ethanol and the Agricultural Economy""; ""Ethanol Refining and Production""; ""Fuel Consumption""</p> <p>""Development of Cellulosic Feedstocks""""Economic Effects""; ""Air Quality""; ""Energy Consumption and Greenhouse Gas Emissions""; ""Policy Concerns and Congressional Activity""; ""Conclusion""; ""References""; ""Ethanol and Other Biofuels: Potential for U.S.-Brazil Energy Cooperation""; ""Abstract""; ""Introduction""; ""Biofuels: A Definition""; ""Biofuels: A Potential Solution to Latin America's Oil Dependency?""; ""Brazil and the United States: Hemispheric Leaders in Ethanol Production""; ""U.S.-Brazilian Memorandum of Understanding on Biofuels""; ""Policy Considerations""</p> <p>""Congressional Action""""Outlook""; ""References""; ""Selected Issues Related to an Expansion of the Renewable Fuel Standard (RFS)""; ""Abstract""; ""Introduction""; ""The Renewable Fuel Standard (RFS)""; ""Potential Issues with an Expanded RFS""; ""Conclusion"";</p>

""References""; """"Boutique Fuels"" and Reformulated Gasoline:
Harmonization of Fuel Standards""; ""Abstract""; ""Introduction"";
""Standards""; ""Harmonizing Gasoline Standards""; ""Congressional
Action""; ""Conclusion""; ""References""
""Ethanol and Biofuels: Agriculture, Infrastructure, and Market
Constraints Related to Expanded Production""""Abstract"";
""Introduction""; ""Issues with Corn-Based Ethanol Supply""; ""Sugar
Ethanol""; ""Biodiesel""; ""Cellulosic Biofuels""; ""Conclusion"";
""References""; ""Index""
