Nota di contenuto	pt. 1. Why are human rights a business issue? -- pt. 2. Corporate responses -- pt. 3. Supply chains -- pt. 4. Community and government.
Sommario/riassunto	This title provides an analysis of the relationship between companies and human rights in the context of globalisation. It maps the reasons (financial, ethical, regulatory) why human rights have are on the business agenda and looks at the practical experiences of companies in responding to specific issues in the context of their own operations.
