Sommario/riassunto

As the world changes, so sexual identities are changing. In a context of globalisation, mass communication and technological advances, individuals find themselves able to make lifestyle choices in new and different ways. In this increasingly confusing world, sociologists have argued that identities are in flux, and that traditional patterns of identity and intimacy are being disrupted and reshaped, with all the implications for sexual identities that this suggests. *Changing Gay Male Identities* draws on the powerful life stories of twenty-one gay men to explore how individuals c
