Sommario/riassunto	This book confronts the problem of the legal uncertainty surrounding the definition and classification of ethnic cleansing, exploring whether the use of the term ethnic cleansing constitutes a valuable contribution to legal understanding and praxis. The premise underlying this book is that acts of ethnic cleansing are, first and foremost, a criminal issue and must therefore be precisely placed within the context of the international law order. In particular, it addresses the question of the specificity of the act and its relation to existing categories of international crime, exploring the
