Sommario/riassunto

Written as a business fable, The Executive Coach in the Corporate Forest is the story of a gifted executive coach, J. C. Williams, and his coaching relationships with his varied business clients-all with their own professional challenges. The book offers engaging stories, has believable characters with realistic problems, and illustrates the structure and content of the coaching process. The book is a quick read-something any busy executive could read on a flight between Washington, DC and Boston-and is time very well spent, not only for the individual executive but for her or his company's fu

Sommario/riassunto

The escalation of piracy in the waters east and south of Somalia has led commentators to call the area the new Barbary, but the Somali pirates cannot compare to the three hundred years of terror supplied by the Barbary corsairs in the Mediterranean and beyond. From 1500 to 1800, Muslim pirates from the Barbary Coast of North Africa captured and enslaved more than a million Christians. Lords of the Sea relates the history of these pirates, examining their dramatic impact as the maritime vanguard of the Ottoman Empire in the early 1500's through their breaking from Ottoman
