## Sommario/riassunto

The safeguarding of vulnerable adults continues to increase in importance. *Safeguarding Adults and the Law*, now in its second edition, sets this complex area of work within an extensive legal framework and provides many useful pointers for practitioners and students. The book covers, for example, Department of Health guidelines, human rights, the regulation of health and social care providers, the barring of carers from working with vulnerable adults, care standards tribunal cases, mental capacity, undue influence, assault, battery, wilful neglect, ill treatment, self-neglect, manslaughter, mu
