Sommario/riassunto	Gustav Bergmann (1906-1987) was, arguably, the greatest ontologist of the twentieth century in pursuing the fundamental questions of first philosophy as deeply as any philosopher of any time. In 2006 and 2007, international conferences devoted solely to Bergmann's work were held at the University of Iowa in the USA, Universite de Provence in France, and Universita degli Studi Roma Tre in Italy. The papers in this

volume were presented at the first of these conferences, in Iowa City, where Bergmann taught for nearly four decades after escaping from Europe, following the dissolution of the Vienn
